

PRECISION SPORT & SPINE

How much will it cost?

Cost is really dependent on your health problems, your goals and the required treatment to achieve your health goals. Treatment cost can only be determined after your initial exam. However, getting started is easy and affordable.

We accept many insurances. Our qualified financial consultant will verify your insurance benefits and review them with you. Providing your insurance information in advance, will allow us to verify your benefits prior to your arrival.

In the event that you do not have health insurance, we have many affordable programs and low monthly payment plans to meet everyone's budget.

Print and present the following coupon to redeem the following discount:
